Tom Craddock 183 Glenwood	Re paint, seal driveway Cement Deal (champagne)	APPROVED

COMPLAINTS

INQUIRY

DISCUSSION

1. Solar Energy - Continued discussion however this was an informational topic (new product) and have had no requests, we found product as not practical for Myrtle Trace at this time and feel no need to present to the Board for approval..
2. Louver patio - A new type of pergola, with movable louvers - seen at Home Show has louvers that open and close, can be cleaned with a blower - expensive but cheaper than adding a room with screens, providing shade.. ARC would like to recommend this product to the Board for approval.
