Green lights /colored lights on sides of garage door

DISCUSSION

1.December meeting date One meeting in December, will be on Monday Dec 14

2. Assignments

3. Other - The house color Sandcastle is no longer available.

Rubble Brown is the replacement color that is to be used. It is close to the old Sandcastle sample. Residents should contact a committee member or Pat if they are planning to use or repaint Rubble Brown (Sandcastle)

The green lights that are appearing on homes are in support of our troops. Colored lights or green lights are considered seasonal and are not to be left up for extended periods.
