DISCUSSION

1. New assignment area sheets

2. Assignments

3 Other Introduction of the ARC member to Pat Searles, the newly elected Board member who attended our meeting.

Discussed Section VII in the Homeowners Guidelines. This section pertains to the guidelines for and restrictions to outside work. Pat suggested and the Committee agreed that since the big blue book is not given to new residents any longer and sometimes was not passed from former to new residents, that this section be copied and given as part of the welcoming package. Pat will present the suggestion to the BOD at the next meeting.
