## BOARD BRIEFS

### THE GATES AT MYRTLE RIDGE DRIVE

After months of hard work, investigation of county records, studies and planning by the Myrtle Ridge Gate Committee, the Myrtle Ridge gate project has been approved by the Myrtle Trace Board of Directors. A new sign with the Myrtle Trace logo will be placed at the entrance advising this road is a resident entrance only. The metal swing gates that are there presently will be removed, stored and saved for possible future use. Work at the entrance will begin shortly and will be finished with new landscaping to improve the appearance. The Board wants to thank all those involved for a job well done in a timely matter. We will all be proud of the new appearance that welcomes us back home.

### DID YOU KNOW??

With the arrival of new residents during the recent past, some residents have unknowingly violated certain restrictions set forth in our governing documents. Two common examples are: Signs of any character are not permitted on either common or owner properties nor affixed to any structure. (Such as contractor/business signs, political signs, real estate sales) Specific guidelines for real estate agents are in place.

Overnight parking of trucks, boats, trailers, motorhomes, RVs, camping trailers, motorcycles or buses in driveways or on adjacent common properties is not permitted. Temporary overnight parking is available on Pear Tree Circle near our Maintenance facility. A special permit is required and is available from any Board member. Allowance for unloading/uploading or required maintenance of recreational vehicles in a resident's driveway is granted generally for up to 48 hours.

For further information, please visit our website and access the upper section of our home page.

### NOMINATING COMMITTEE

The MTHOA Nominating Committee under the chairmanship of Vice President Judy Beam has been formed and is working to identify qualified candidates for the Board. For more information please call Judy Beam at 347-3463. There will be two (2) vacancies on the Board to be filled at the 2013 Annual Meeting on February 16, 2013. If you are approached to be a candidate please give the request your full consideration. The success of our association is dependent on the continuing involvement of excellent members of the association on the Board. The committee members are Judy Beam, Jeanne Bredbeck, Diane Gascoigne, Tom Gray, Janet McGrady, Norm Paulson, Leo Reger and David Smyth.

### BOCCE BALL

The Board Of Directors approved construction of a Bocce Ball Court adjacent to the pool cabana. Ron Grove has received pledges covering a majority of the construction and equipment costs. The court will be available to all residents to play Bocce Ball. There are approximately 30 prospective participants for a Bocce Ball league. Construction of court will be completed within the next two months.

## NEIGHBORHOOD WATCH

Some of the drivers on neighborhood watch patrol have noticed large amounts of paper products that appear to be weeks old in paper boxes. Please notify a neighbor if you will be away to watch the box for you. If it is full that is a sure sign nobody is home and an easy target for thieves. If you as a resident notice no one is watching the boxes do your neighbor a favor and empty it.

If any resident with free time would like to be a part of neighborhood watch please contact one of the following drivers, Jean D'Amelio, Charlie Conklin, June Darville, Nelson Fisher, Kathie Hammersla, Janet Haney, Jennifer Jenemann, Fred Krause, Al Orth or Elizabeth Maass. Thanks to Herb Baraga (new) and Mary Francis Williams for returning after her leave of absence.

## ACTIVITIES COMMITTEE

Activities are in full swing now, so try something new. It's a great way to meet new neighbors.

Monday evening Potluck continues on October 15th with Bill and Diane Gascoigne hosting the event. The next morning on October 16th the Ladies Coffee Klatch will be held hosted by Phases 5 and 6 and Carol Duganier. Myrtle Trace Dining Out focuses on lunch this month on October 25th at Damon's at the Beach. Alice Tingler and Rob and Terri Macker are planning this event beginning at 1:00. Cecille Britt reports that movie night on October 26th will feature The Help. Get there early to get a good seat and free snacks.

Our big event this month will be held on Saturday, October 27th. Ron and JoAnn Grove are planning our own OktoberFest. Look for details in this issue of News & Views.

Last year a popular event was held in November on Thanksgiving Day. In order for this event to move forward, a chairperson (or two or three) is needed. If you are willing to host this event, please call Terri Macker at 331-1027. A volunteer has already stepped forward and agreed to roast the turkeys.

Our next Activities Committee meeting is scheduled for Monday, October 1st at 7:00 in the Clubhouse. Enjoy your community!

## BOCCE BALL

As noted elsewhere in this newsletter, the MTHOA Board of Directors has given approval to a group of residents to construct a Bocce Ball court behind the pool cabana. We would like to do this at no cost to the MTHOA. When completed, it would become the property of the MTHOA and would be available for use by all of our residents. Anyone wishing to make a donation to this project or to contribute labor is asked to contact Ron Grove (234-1814), Horace Jones (570-436-3040) or Paul Sallas (331-3028). Your help will be deeply appreciated.

## GARDEN CLUB

At long last – cooler weather has returned to us and it is now time to start thinking about our fall gardening chores. For example, now is the time to lightly fertilize your lawns, azaleas and camellias in preparation for the winter and early spring seasons. This is best done before we experience a frost.

The Myrtle Trace garden will also need some “sprucing up” so the Garden Club will sponsor an evening of “Open House Beer/Wine Clean-up” for those Tracers willing to pick up a bucket of weeds or other plant debris. Each bucketful will be rewarded with a glass of beer or wine plus some light snacks– why not join with us at the Clubhouse at 5PM on Friday, October 26th?

One more reminder – the usual Saturday morning (9AM) clean up sessions will be in effect all through the winter months – this is an opportunity to get a little exercise and, at the same time, give something back to our great community.

## STAN NIXON

Stan Nixon of Ashwood Circle is now in a care facility in Durham, NC. Cards may be sent to his daughter at 403 Dunhill Drive, Durham, NC 27713.

## I REMEMBER THAT !!!

The September trivia winner was Faye Wittes who correctly answered the following and was randomly selected from the other winning entries. The question was “What was Fonzie’s full name?” The answer: Arthur Fonzerelli.

This month’s question: “What were the names of the Cartwright boys?” Send your answers to Steve Sands by phone (331-3180) or e-mail (SSands3@sc.rr.com) by Oct. 15th. The prize this month will be an Ice Cream Cake from the Dairy Queen on US 501 near Kroeger’s. The winner will be announced in the November News & Views.

## *Thank You*

## PROPERTY COMMITTEE

Two new projects on Common Property have been approved by the Board. A group has been granted access to a stretch of land near the shuffleboard court to erect a Bocce Ball court which can attract a new group to participate in the sport. It will be open to all residents. We are also going to erect an entry sign from Myrtle Ridge Road which will indicate that we are here, but it will remain a private entry.

After the recent rains and related drainage problems, we have tried to identify the problems. Many come from the "leveling" of swales over time. This can be the result of trees or bushes planted in or near the swale and the roots growing into the swale causing a break in the drainage flow. Digging out roots or moving the bushes may alleviate the condition. The swales were dug way back when and are on private property and are the responsibility of the Owner. In some instances, the obstruction may be a few houses from a problem area. It is up to neighbors to develop a mutual remedy. It may involve notifying ARC to make changes.

The Pool will be open through Sunday, Sept. 30. There is a party at the pool on Saturday to celebrate another fine season in the sun and water. We will also have a gathering on Monday, Oct. 1, to store the furniture. Any help will be appreciated. Time has not yet been set, but we will post a notice on the Pool gate.

## COMPUTER CLASSES

Last month, we asked the community to let us know if we should continue the monthly computer classes we have been conducting for the past two years. Since we have received no response, it is assumed that there is no need for the classes to continue at the present time. We (Ted Ackley, Jim Wilkison and Bruce Williams) have really enjoyed making new friends and sharing our computer skills with all of the participants. We would like to thank the participants for their interest and for their patience as we attempted to improve our teaching skills. We would also like to thank Bob Owens who assisted us during the early months of the program. All in all, we probably reached 75 residents. We'll still be here and willing to try to help anyone with a specific problem.

## CRAFTERS' PROJECTS

Call Julie (347-0786) or Pat (347-16090 for further information.

The Myrtle Trace Players need your help. For our play:" ROBIN HOOD AND HER MERRY MAIDS", we will be playing... "*Ye Ole' Family Feudal Feud Game!*" To help us with the questions, we ask that you give a one or two word answer to questions listed below. If you don't wish to remove these pages from the newsletter, simply put the question numbers on a blank sheet of paper along with your answers.
