## BOARD BRIEFS

### 2017 ANNUAL BUDGET

After numerous meetings and hours of deliberation, by late September the Board was confident that we had a good budget in place for 2017. However, the large expenses resulting from Hurricane Matthew necessitated in a significant reconsideration and rewrite of the proposed budget. Our goal was always to be able to present a budget that would meet our needs in 2017, but also look to the future and be able to address our aging infrastructure, including the condition of our lakes and, most importantly, set up a designated Disaster Fund for possible future events such as experienced with Hurricane Matthew.

During our reworking of the budget, we considered approximately 10 different options, keeping in mind not only our financial needs, but also the impact on homeowners. Originally, at the end of 2016 we expected to have sufficient remaining revenues from our Operating Budget to finance our Road Resurfacing Fund and Repair and Replacement Fund contribution for the 2017 budget. However, those assets now are being used to pay Hurricane Matthew cleanup expenses ( \$36,300 to date) and estimated to be as much as \$43,000 upon completion.

We realize no homeowner is ever pleased with an increase in their dues. However, we concluded a dues increase, rather than a large assessment, was the best way to handle our finances. Our responsibility is to maintain and preserve the Myrtle Trace community as a whole. As per our Covenants, Article V, Section 3(b) your Board is authorized to increase the current dues by no more than 10%. Therefore, effective January 1, 2017, monthly dues will be increased to \$82.50 per month, or \$990.00 per year (\$75.00 x 10% equals \$7.50 for a monthly total of \$82.50). While we sincerely regret having to raise dues, if you carefully review the 2017 budget, we believe you will be satisfied that all obligations due to Hurricane Matthew and the future maintenance and preservation of Myrtle Trace have been addressed.

It should be noted that even with this increase, we will have to wait until possibly mid-year of 2017 to fund the Road Resurfacing and Repair and Replacement Funds, which we normally would have done in January. This will also enable us by the end of 2017 to have sufficient resources to finance the Road Resurfacing Fund and Repair and Replacement Fund contribution for 2018. Also, the 2017 budget will include, under Projects Scheduled, two line items for Infrastructure and Lakes Renewal, along with a Designated Disaster Fund. We carefully considered each expenditure and had to make adjustments, but the standards that you've come to expect from Myrtle Trace will remain the same.

Please review your 2017 Budget so that you can be assured Myrtle Trace remains financially sound, able to meet its obligations and has put in place a plan for the continued success and well-being of our community. We appreciate your understanding as we go through these difficult times.

### LISTENING SESSION

The Board of Directors held the fall Listening Session on Wednesday, November 2, 2016. Between thirty-five to forty residents attended and many of the concerns and questions related to the aftermath of Hurricane Matthew. Some of the questions asked and areas of concern related to: the Horry County ditch; controlling lake levels; swale areas; removal of tree branches from lakes; golf course maintenance of their ditches; abusing volunteers; planning and paying for future "disasters"; and the availability to review engineering plans for Myrtle Trace.

We thank all residents who attended this listening session. The Board will be reviewing all questions and comments and the appropriate Committee Chair and/or the Board will be responding. Again, to all the residents taking time out of their day to attend this session we say, thank you. It is your input which helps us to identify the areas of concern in our community.

### ACTIVITIES COMMITTEE

October and November was a busy time for activities for Myrtle Trace residents. Pat Paxson would like to thank everybody that helped with the events. The Octoberfest had 77 residents attend and all enjoyed the German food. November 6th was our first Fall Festival. There were 9 crafters who set up tables with different craft items for sale. There was also a bake sale where many residents baked the delicious treats that were sold. Apple cider was also served. November 13th was the day we honored our resident veterans for Veterans Day. Seventy people were in attendance. It was a very moving, stirring and honoring of our Myrtle Trace Veterans. Bingo this month was attended by many. Nelson Fisher gave three turkeys away for Thanksgiving. The jackpot was one of the largest ever. So, please plan to come on December 9th at 7pm.

Don't forget that on December 17th, we will have luminaries lighting starting at 5 pm. If you need some supplies, please contact Charlene Rose. This year there will be also we will be two contests: one per phase for decorated mail boxes and one winner in 4 different categories for house decorations.

The New Year's Party includes a band and should be great fun. Please RSVP early beginning on December 1st. This event is limited to 80 people. REMINDER: The MTAC RSVP policy for all events is as follows; Residents only until 5 days prior to the RSVP Deadline; Residents and Guests the five days prior to the RSVP Deadline.

Something new is coming next year. We are planning a trip to Dublin Wine up at Barefoot Landing on February 17th followed by subs and snacks at the Clubhouse. More information to follow.

## PROPERTY COMMITTEE

Well, another year is fast slipping by. We as a community had many successes and some setbacks. We were able to do some much needed painting and repair work to the Clubhouse and Cabana. We had another great pool season, enjoyed by many residents. We also were able to attack a drainage problem on Bentwood Circle, unfortunately we have many others to address. We repaired a broken drain pipe on Hickory Dr. and installed more sections of break wall in Lake Grebe. We also had many projects too numerous to mention here. Then, along came Matthew, and he put a dent in our pocket-books and a slowdown of many of our projects. He has changed the entire landscape of Myrtle Trace. The trees will be an ongoing project for some time to come.

On a lighter note, on behalf of the Property Committee Members I would like to wish everyone a safe and happy Holiday Season.

*Leo Reger*

## BOWLING

The Gobblers (Walt Gardiner, Al Wellman & Tony Maturi) won the first segment of the schedule after taking a close match with the Alley Gators (Nancy Levesque, Steve Gallion & Jane Gardner). The 3 Wonders (Della Kohout, Ron Kemp & Bob Elswick) finished 3rd followed by 3 Dizzy Dames (Pat Searles, Marie Tims & Cecile Britt). The Gobblers will be in the championship playoff which will take place in April.

High averages are being maintained by Al Wellman (198), Tony Maturi (191), Ron Kemp (174.77), Bob Bastian (174.61), Yvette Campbell (148), Pat Benson (145), Mary Connors (133.88) and Joyce Hayes (133.70).

Recent high scores have included Al Wellman (257-659), Tony Maturi (249-625), Ron Kemp (585), Norm Napier (561), Nelson Fisher (226-550), Ted Ackley (542), Ed McCorkindale (223-539), Jerry Campbell (530), Bob Bastian (526) and Yvette Campbell (469).

After a break for Thanksgiving, the league will bowl three weeks in December and break after the 15th for the holidays. Play will resume on January 5th.

## *Thank You*

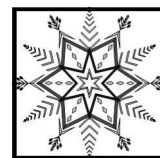

Georgia and I retired to Myrtle Trace in May of 1997. We've loved living here. Now that Georgia has passed on, our family knows how great Myrtle Trace is. My family and I wish to thank the community for the many cards, gifts of food and prayers.

*The Ron Diamond Family*

Thank You, Myrtle Trace Friends

Your gracious hospitality, well wishes and kind prayers have helped immensely during this time of healing. Jim and I have truly been blessed to live in such a wonderful community as this. Warmest and sincere thanks.

*Kathy Parish*

To all our neighbors in Myrtle Trace:

Thank you so much for your cards and hugs. The loss of our grandson and nephew, Evan Kongvold, has been hard, but your comfort in our sorrow has helped us. Big hug to you all.

*Thor, Susan, Anne & Mary*

Charlie and I would like to thank our Cottonwood Lane neighbors for their kindness and generosity during and after our house fire. Thank you one and all. God Bless you and Merry Christmas!

*Judy & Charlie Thropp*

## BOARD BRIEFS (CONT'D.)

### PAT SEARLES RESIGNS FROM THE BOARD

Director-at-Large, Pat Searles, has resigned from the Board of Directors, effective November 16, 2016. Pat answered the call to serve her community and has been a valuable asset to this Board and Myrtle Trace and her contributions are deeply appreciated. We wish Pat and Fred our very best.

### RENZO FALCINELLI JOINS THE BOARD

Renzo Falcinelli has been appointed to the Board of Directors, as Director-at-Large, replacing Pat Searles. Renzo brings a wealth of experience to the current Board as he served as a MTHOA President, Treasurer, Activities and ARC Chair. He currently is a member of the ARC Committee, including the Lakes Bank Committee and the Lakes Preservation Committee. The Board welcomes Renzo and thanks him for his willingness to serve.

### NOMINATING COMMITTEE

The Nominating Committee is pleased to announce that they have three qualified candidates to fill the two positions that will become available and be voted on at the 2017 Annual Meeting. We thank them for their willingness to serve and their names will be announced at the December 2017 BOD Meeting and in the January News & Views.

### HURRICANE MATTHEW UPDATE

From the looks of things in Myrtle Trace, it would appear that we've completed our cleanup, but much remains to be done and we appreciate your continued help and patience in that regard.. As indicated in our most recent, and final, notice on cleanup efforts, Hardee Maintenance has completed their pickup of debris from homeowner properties. It is now your responsibility to remove any remaining Hurricane Matthew debris.

#### TREES:

Please continue to review the interim ARC Tree Removal policy due to Hurricane Matthew which was included in your November News and Views and is also posted on our web site, [www.myrtletracesc.org](http://www.myrtletracesc.org).

#### COMMON GROUND TREES:

At the November BOD meeting, AMC Tree Removal, was selected at a cost of \$3,700.00 to remove 11 trees that are posing a danger to our community.

#### TREES IN LAKES:

We were in the process of obtaining bids for removal of seven trees that had fallen into lakes, one of which was for \$10,000.00. However, Al Hardee Maintenance took it upon themselves to remove all seven trees, resulting in a possible savings of \$10,000.00. Thank you to Al and his crew for another example of their quick action and dedication to this community.

#### FINANCIAL IMPACT:

As reported at November's BOD meeting, we're estimating our cleanup cost will be approximately \$43,000.00 when all is said and done. However, with the approval of the 2017 Budget, which includes a dues increase of \$7.50 per month, for a new monthly total of \$82.50, we are confident that we will meet our obligations due to Hurricane Matthew, continue to maintain and preserve Myrtle Trace in the coming year, and enable us to put a plan in place for our continued success and well-being.

### COMMUNICATIONS COMMITTEE APPOINTMENT

Jon Bourne has been appointed to the Communications Committee. We welcome Jon and thank him for willingness to serve. Jon will be working with Ted Ackley, Communications Chairman, to develop and maintain an email data base to be used to communicate to our residents in times of emergencies such as a Hurricane Matthew event. We currently have email addresses listed in our MT Directory, but Jon will develop a program to have these addresses available to us in order to send out notices. This communication method will only be used when deemed necessary by the Board, and will not be used for any other purposes.

We are also looking into a program, Dial My Calls, a communication system that would allow us to automatically send out brief messages to a telephone number you provide. This will be another means of alerting and keeping you updated on important issues facing the community.

Both of these programs are strictly voluntary, and more information will follow in the next few months, We hope you will sign up for both programs as it's a benefit to you and the community to be kept updated and well informed.

## ARCHITECTURAL REVIEW COMMITTEE

This is just a reminder to all residents that the new Policy for Parking Covered, Unlicensed or Unregistered Vehicles goes into effect January 1, 2017. The penalty for parking any of these vehicles anywhere on the property, except in the garage, is the same as that for the parking of trucks or recreational vehicles.

ARC appreciates the cooperation we have received from homeowners who have reported and requested the removal of storm damaged trees. If you have removed downed trees and not reported these to us, we would appreciate your doing so in order for us to accurately keep our annual tree removal total. All tree removals now need review and approval by ARC.

*Pat Hosford*

## IMPORTANT INFORMATION REGARDING THE 2017 CHANGE IN HOA DUES

If you currently have a check mailed to the Association from your bank by way of their Bill Payment Service Provider, please be sure to notify them of the change in your monthly dues amount, which effective January 1, 2017 will be increased by \$7.50 for a new monthly total of \$82.50.

If you have paid part of your 2017 HOA dues prior to January 1, 2017, a possible shortage may develop during the latter part of 2017. To resolve this concern, simply drop off your check for the shortage at the usual lock box location in front of the Clubhouse.

If you wish to pay your HOA dues on a quarterly basis, the new amount is \$247.50. If you pay on a semi-annual basis, the new amount is \$495.00 and if you pay annually, the new amount is \$990.00

If you have any questions about your HOA account, please contact Peter Bevan, Accounts Receivable, at 843-234-2315.

## MINI GOLF

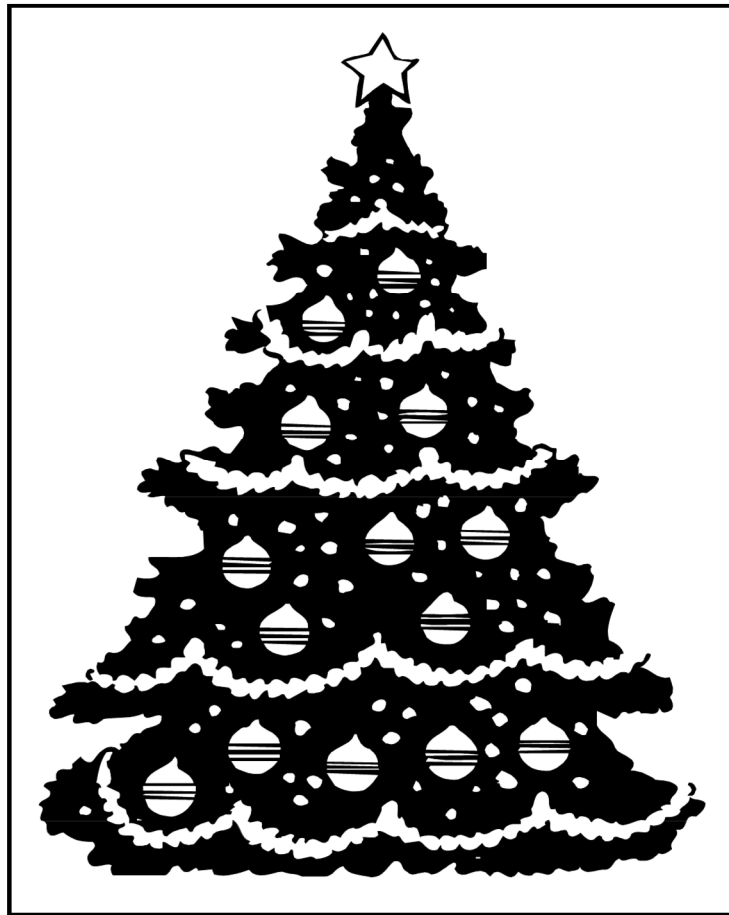

The Myrtle Trace Mini Golf group ended the fall 2016 season November 15 at Dragon's Lair, followed by lunch together at Beef O'Brady's. We welcomed 5 new players to our group this season bringing our total number to 25. Once again we had a great time playing mini golf and getting to know one another better.

As a group we played a total of 149 games over the 10 week season. There were 142 hole-in-ones scored collectively by the group. Allen Butterfass led the group with a total of 12 hole-in-ones followed by Marie Tims with 11 hole-in-ones. Gary Cooper and Don Nimphius tied for the highest number of hole-in-ones scored in one game with 5 each.

We hope to see all of you back again and some new folks as well, for our spring 2017 season which will begin in March. Watch the February News & Views for more details.

*Gary Cooper*
