## BOARD BRIEFS

### NOMINATING COMMITTEE

The Nominating Committee is pleased to announce that Mary L'Heureux, Pat Paxson and Herman Rebocho are candidates for the Board of Directors. Their photos and resumes will be included in the information packets for the Annual Meeting.

You will have the opportunity to meet the candidates on Saturday, January 19th at 12:00 noon in the M T Clubhouse. It will be a time of getting to know your candidates and hearing their vision for Myrtle Trace. Hope to see you there.

### ANNUAL MEETING INFORMATION PACKETS

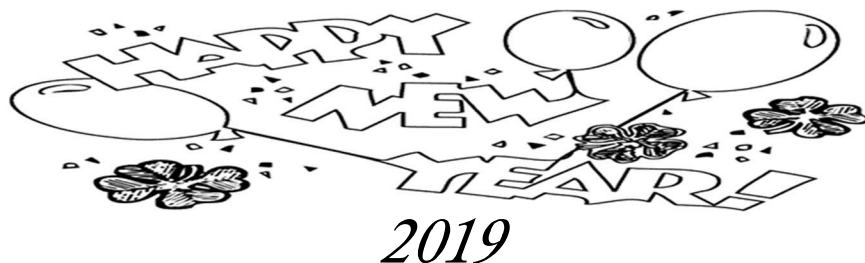

The Annual Meeting Planning Committee will be assembling the meeting packets on January 5, 2019. The packets will be distributed to the owner-resident black newspaper tube the same day, weather permitting. If you will be unable to retrieve your packet on the 5th or 6th, please call either Mary Johnson at 843-347-6987 or email [RPMARYJ@AOL.COM](mailto:RPMARYJ@AOL.COM) or call Joe Martin at 843-347-2823 or email [JJMJ109@YAHOO.COM](mailto:JJMJ109@YAHOO.COM) to arrange a delivery date. Packets will NOT be available on the day of the meeting.

### ANNUAL MEETING – FEBRUARY 2, 2019

The MTHOA Annual Meeting will be held in the Burroughs & Chapin Auditorium on the Horry Georgetown Technical College Conway Campus. The Annual meeting packet includes driving directions to the auditorium. Registration begins at 1:00 p.m. and the meeting is 2:00 p.m. Questions for the Board may be submitted to any Board member and must be in writing. Questions should be submitted no later than January 25th to allow time for any necessary research.

If you are unable to attend the meeting, please give your proxy, which is included in the information packet, to someone who will be attending so that we can be assured of meeting the quorum necessary to conduct the Association's business.

If you will be voting proxies for other homeowners, you are encouraged to pre-register on Friday, February 1st, at the Clubhouse. Members of the Annual Meeting Planning Committee will be available from 4 p.m. to 6 p.m. You will receive your ballot along with the ballots for which you hold proxies on the day of the meeting.

## GARDENERS GATHER GROUP

The Gardeners Gather Group will meet on January 10th at 1:00 pm in the Clubhouse. Our speaker will be Master Gardener of more than 15 years, Glenda Sweet. She will present information on butterflies, the characteristics of cloudless sulfur and monarch butterflies. She is a member of the Conway Camellia Garden club, and member of the Gardening Society of Horry County.

Over a dozen women participated in the workshop with John Drohan, making lovely fresh flower Christmas centerpieces. John has promised another opportunity for us to be creative in the spring. On Jan. 12th at 10:30 am, the gardeners will meet to do clean up and maintenance in the Clubhouse landscape and gardens. This will continue to be a monthly activity on the 2nd Saturday of each month.

## *Thank You*

I want to thank all my friends and neighbors for their prayers, cards and food. Also, all the help they gave me when I was in the hospital and rehab. Myrtle Trace is a great place to live. Everyone looks out for and takes care of their neighbors.

Thanks,

*Janet Von Deck*

Dear Friends,

The Myrtle Trace Mini Golfers wound up another fun filled season November 13th, followed by our end of season lunch at Olive Garden. We had 40 + people on the roster and averaged 28 - 30 people per game. After 9 weeks of play the group had played a total of 258 games and recorded 187 hole in ones. We are looking forward to seeing all of you again, and hopefully some new folks, for the Spring 2019 season. Watch the February News & Views for the Spring schedule.

### ARCHITECTURAL REVIEW COMMITTEE

All requests for tree removal on private property should be referred to the Architectural Review Committee by means of a Project Request form. These forms may be found in a rack to the right of the main Clubhouse door. Issues regarding trees on common ground should be referred to the Property Committee.

## BOARD BRIEFS (CONT'D.)

### DOG PARK PRESENTATION

Herman Rebocho presented to the Board a proposal for the construction of a dog park to be placed in a portion of the "Sports Complex." The size of the park would be 24' X 60', divided into two sections; providing areas for both large and small dogs. The approximate cost for construction of the dog park is \$4,000.00. The Board is reviewing the information and will be making a decision on the proposal in January.

### PURCHASE OF RIGHT - OF - WAY

The Association has been notified of the proposed widening of a portion of Myrtle Ridge Road from its intersection with Myrtle Trace Drive to US Route 501. Some members of the Board met with a representative of SCDOT and he showed us the portion of Myrtle Trace Common Ground that will be affected. When you are exiting Myrtle Trace via the gated exit, look to your left and you will see two stakes with orange tape wrapped around them. The stake closest to Myrtle Ridge Road is the current right-of-way; the second stake is the proposed line of right-of-way. The berm is to be taken down and reconstructed. An appraiser has been contracted to appraise the property involved and come up with a real price value for the land. Our attorney has been made aware of the situation and as we, the Board, get more information it will be shared with all residents.

### POOL CONTRACT

Ken's Pool Service, which has serviced our pool for many years, has given 30 day notice to the Association that he is terminating the contract at the end of 2018. He has agreed to service the pool on a month to month basis while we seek bids and sign a written contract with another pool service company.

### ACCOUNTS RECEIVABLE CONTRACT CHANGE

The Board approved a change in the Accounts Receivable Consultants contract to include the maintaining and management of the Owner/Tenant Agreement forms and registration. This change will streamline the handling of forms and information regarding rental properties.

### POLICY ON RENTING HOMES and OWNER/TENANT AGREEMENT FORM

The change in the management of the Owner/Tenant Agreements required a revision to the Policy on Renting Homes and to the Owner/Tenant Agreement Form. Owner/Tenant forms will now be submitted to Association Accounts Receivable Consultant.

Furthermore, the Board revised the amount of money a homeowner would be fined if the form is not submitted prior to the tenants move in date. The failure to submit the completed agreement prior to the tenant's move in date will result in the property owner(s) being assessed a fine in the amount of \$500.00. This fine will be administered monthly until the required agreement has been submitted. This change in the policy goes into effect immediately.

### POLICY UPDATES

Every homeowner/renter has been given a 3-ring binder with MTHOA Guidelines & Policies. During the year a few policies have been revised or amended and therefore some notebook pages need to be removed and replaced with the updated information. When the Annual meeting packets are delivered, you will find the revisions clipped to the envelope. If you have any questions regarding the updates, please contact a member of the Board.

### CHRISTMAS CONCERT

The Board, along with other residents who attended one of the holiday concerts, would like to thank the members of the Myrtle Trace Community Chorus for a fantastic, upbeat program. This year's "country twist" with a few twangs mixed in was most enjoyable. We really appreciate all the time this group has put into preparing for this concert. The chorus is just one more example of the many talents possessed by the residents of Myrtle Trace.

*It's time to say, out with the old and in with the new. The Board wishes one and all a healthy and prosperous 2019.*
