BOARD BRIEFS

AUGUST BOARD MEETING

The August MTHOA Board Meeting will be held on the first Wednesday of August (August 7, 2019) at the usual time (9:00 am).

MYRTLE TRACE DIRECTORY

With the recent increase in the arrival of new residents, the Board has authorized the publication of our community directory every six months commencing on October 1, 2019.

JULY 4TH PICNIC

There were so many volunteers who helped make the day a success that we couldn't possibly list all of you. So please accept our thank you for helping make the day so enjoyable for our residents. It's another example of Myrtle Trace residents stepping up to help out in whatever way they can.

CANADIAN GEESE INVASION

If there is any bird that can match geese aggression, it's the swan. Geese know this and avoid hanging out in the same space as them. Placing a fake swan or owl on your property will cause geese to think twice and will likely keep them from coming onto your property. Also, an air horn similar to those that boaters use can scare them away.

SPEEDING CARS ON MYRTLE TRACE DRIVE

The Board would like to remind every resident that the speed limit is 25 miles per hour. We would like everybody to please keep this in mind at this time of year as we have grandchildren visiting and playing in the yards along this street. We wouldn't want to see anyone hurt.

Don't fight the heat – stay cool !!!

ACTIVITIES COMMITTEE

The July 4th Party was a great success as always. The Pledge of Allegiance led by Nelson Fisher and God Bless America beautifully performed by Delores Baltis honoring our country were the highlights of the affair.

August brings our first Trivia Night, Woodstock 50th Anniversary Party and the Ice Cream Social. Check the News & Views for times and dates.

As always, please watch for people on our streets. Pay heed to the speed limit. Check on your elderly neighbors.

All are invited to join the Activities Committee. We meet the 2nd Monday of the month at 7:00 PM (not the 1st Monday as I posted last month!).

PROPERTY COMMITTEE

The Property Committee has been informed by Paving Solutions Corporation (the seal coating company) that our project on Myrtle Trace Drive is to begin in early August. Your cooperation during this event will go a long way toward it's successful completion.

For those homeowners along Myrtle Trace Drive who will be impacted the most, the Committee will work with you in trying minimize the inconvenience. Sprinkler systems along Myrtle Trace Drive will need to be turned off during this time. We thank you in advance for your cooperation.

MYRTLE TRACE BOWLING

The Myrtle Trace Bowling League's organizational meeting will be held in the Clubhouse on Thursday, August 29th, at 2:00 pm. At that time, the league rules will be reviewed and modified as necessary. Also, team rosters and the league schedule will be published. Teams may consist of any combination of men and women to make up a roster of three bowlers. Weekly league fees will be voted on.

Be sure to review the bowling flier included in this issue of the News & Views and notify League Secretary Ted Ackley if you plan to join us. If you don't wish to be a regular bowler, we can always use substitutes.

As announced in the Board Briefs, our community directory will now be published twice a year. The next edition will be delivered on September 28th. Additions, changes or corrections should be sent to Lina Janovitz (lindru@sccoast.net) or Ted Ackley (tedack@sccoast.net) no later than September 8th.

MEET YOUR NEW NEIGHBORS

Marcia Schatz
112 Myrtle Trace Drive

After teaching for 37 years, I'm happy to call Myrtle Trace and Conway, SC, my home.

Originally from Indiana, I've lived in Texas, Oklahoma and Pennsylvania. I've been here 11 months already and am active in the Singles Group and am the Secretary of the Activities Committee. I also work in the MT Library twice a week.

Thank you all for making me feel so welcome!

Thank You

We want to thank all our Myrtle Trace friends and neighbors for your support at this difficult time. We received many cards and phone calls. Our family began coming to Myrtle Beach in the mid 60's for vacations with our kids. I tried to pick a different location one year but I was out-voted, 3 to 1!

Barb and I were married for 62 years and we have lived in Myrtle Trace for 22 years. We will pray, hope and remember the good times. We thank you,

Frank Varvaro & Family

MEET YOUR NEW NEIGHBORS

J. Michael "Mike" & Joanna Wilcox
102 Cricket Court

On 2/1/19, we moved from Boone, NC, which is in the Appalachian Mountains, home to Appalachian State University. Mike graduated from ASU and worked for 40 years in his family's business - Wilcox Freight - "puddle jumpers" for large tractor/trailers that preferred not to run the crooked mountain roads into Boone.

For 32 years, Joanna was employed by AppalCART [longest stint] as the Operations Manager, a public transportation system servicing Watauga County and Appalachian State University.

In addition to full-time jobs, we had a farm, BooneDocksWilcox, that was centered on our Nigerian Dwarf Dairy Goat herd that we bred for the show ring and the milk pail. A healthy Nigerian Dwarf doe can produce a surprising amount of sweet milk for her small size - up to two quarts per day. Their milk is higher in butterfat (6-10 percent) and higher in protein than milk from most dairy goat breeds.

Now living in Myrtle Trace, you will see us walking our two darling dogs, Bunny and BooBoo.

Years ago, prior to dairy goats, we played duplicate bridge in tournaments and became Life Masters. If any residents are looking for a pair of duplicate players to play at the Clubhouse, we would be interested.

Ralph & Janie Washington
220 Wedgewood Lane

Ralph and Janie Washington were born and raised in Washington, D.C. After they married, they lived in Maryland for 25 years where they raised their son, Jason. They also lived in Virginia and Nevada before returning to live in Maryland for a few years. Ralph is a dedicated Washington Redskins fan and enjoys playing golf while Janie loves yoga and reading. They purchased their new home in Myrtle Trace a few months ago and are enjoying the beautiful community and friendly neighbors.

Eileen Morin & Daughter, Lisa Griffin
109 Timberline Drive

Before Myrtle Trace, we lived in Victoria, Texas for six years. Prior to 2012 we lived in Easthampton, Mass. I worked for the DEB Shops, a junior retailer, for 20 years as a District Manager. I also worked independently as a house cleaner/organizer. I currently volunteer at Waccamaw Animal Rescue Mission.

My daughter, Lisa, who is 35 years old, attends an Adult Day Program Monday through Friday. I have three children, two girls and one boy, ages 42, 38 and 35. I also have three grandchildren, ages 14, 5 and 2.

I absolutely love this area and am very happy to call it home!

Stan and Betty Lundy
106 Bentwood Circle

Stan, 76, is a retired Naval Senior Chief who was born in Michigan. He loves boating and cars (and his wife!).

Betty, 72, was born in Delaware. She loves knitting and crocheting (and her husband!).

They have two adult children and four grandchildren.

FALL 2019 MINI GOLF

It's time for another season of Myrtle Trace Mini Golf. This group is open to any Myrtle Trace resident, any skill level.

Cost will be \$8.00 per player per round for non- season pass holders.

*Note, season passes are available for \$69.99 plus tax. This pass is good for unlimited play at any of these 5 courses, any time till December 31, 2019. This includes the times we play as a group and any other time you may want to play throughout the year. You can order them online at myrtlebeachfamilygolf.com or purchase them at Dragon's Lair. The pass involves a photo id card. If you are planning on getting this pass, we recommend getting it prior to September 3. (Due to the time involved for processing, you may not be able to get it the day you plan to play with the group.)

There will not be set "teams", we will set up our groups each week. (Try to play with someone different each week so we get to know each other better.) This is for fun, not competition, however, we will keep score cards and please let us know of any "hole in ones". Remember, **Scores do not matter**, let's just get out there and have some FUN!!!

Weekly Schedule – every Tuesday at 10 am, starting September 3rd thru Nov 12th. Please be at the course by 9:45 to check in and pay so we can start on time. We will use Tuesday November 12 as a make up for any rainouts and our end of season lunch.
