Myrtle Trace

A Newsletter by Myrtle Trace Residents for Myrtle Trace Residents October 2023

BOARD BRIEFS

At the September public Board meeting the Board adopted a number of changes to the ARC guidelines. The changes were published in the September News & Views and after discussion with the ARC committee and barring any public comment, the changes were adopted by the Board and will be published in the annual packet for insertion in homeowner's notebooks.

The Board is also recommending a change to the policy on the parking of Recreational Vehicles. The proposed change is listed below in bold print and will be subject to review at the October 18th Board meeting.

- **CHANGE TO THE POLICY ON LOADING AND UNLOADING OF RECREATIONAL VEHICLES**

A permit is required prior to the parking of recreational vehicles, including travel trailers, boats and motor homes in Myrtle Trace residents' driveways. The permit will allow 24 hours for the purpose of loading and 24 hours for unloading of the above mentioned vehicles. Permits may be requested from any member of the Board of Directors or the Chairperson of the ARC Committee.

- **THE MYRTLE TRACE WEBSITE**

Our website, myrtletracesc.org, is a source of information for our current residents, future residents, and for those interested in knowing what Myrtle Trace is all about. It's the place to go to review our Covenants and Guidelines, to catch up on activities and committee reports, to review Board of Directors actions, to read past copies of News & Views, and to print out forms such as ARC project requests, emergency contact forms, common ground agreements, etc.

The website is constantly being updated and will be upgraded, making it more accessible and user friendly. Our new webmaster is Joe Martin who works closely with our Communications Committee and the Board to maintain the website and provide current residents with the information they need to be good neighbors and to be able to appreciate what Myrtle Trace has to offer.

Myrtletracesc.org is designed to be convenient and informational but is not interactive. Should you have questions about the content of the website or any information you find there, you are encouraged to contact any of the current Board members or appropriate committee members, all of whom are listed on the website and in your Myrtle Trace Directory.

However, neither our website nor our monthly newsletter are used for emergency communications. Should we have to send an emergency notice out to the community, we use an email list maintained by Jon Bourne and we rely on neighbors communicating with those in our community who may not have access to email. And the latter is what makes Myrtle Trace the special place that it is.

ACTIVITIES COMMITTEE

The Activities Committee met on Monday, September 11th, at 7:00 pm and discussed the planning for our Myrtle Trace 40th Anniversary celebration events. The events are well publicized in this edition of News and Views, the Activities calendar, the special Anniversary calendar and on the Myrtle Trace Chatter Facebook page. The level of excitement and reservation numbers are high so make sure you have all the events and their dates and times on your personal calendar.

Bob Smith

PLEASE NOTE

There will be **NO BINGO** in October due to scheduled Anniversary events. Bingo will resume in November.

LAWN CARE TIP

As temperatures cool, you may notice fungi that start to emerge in lawns. A fungicide will treat any issue that may be noted, but be sure to apply fungicide before the grass goes dormant. Preemergent herbicides can be used to help control annual winter weeds and should also be applied prior to the lawn going dormant.

Source: Clemson Extension Service

REMINDER

The MT Board and its Committees will never email or phone residents for the purpose of soliciting money or donations. If you receive such a solicitation, know that it is a SCAM. Don't become a victim.

PROPERTY COMMITTEE

THANK YOU to all of the Committee members and volunteers. A special thanks to the Hardee Group and Tom Gray for their hurricane preparedness help. All pumps were inspected and repaired where needed. Water was drained out of the retention ponds. After the storm, roads were cleared and the two fallen trees were hauled away.

POOL COMMITTEE—Thank you for an excellent year – 1200 residents/guests were in attendance in the month of September. Preparing for the storm's arrival, all furniture and loose items had to be removed and then returned after the storm. Hats off to Dave Rudnicki who faithfully oversees the pool, Sue Rudnicki who supervises the pool monitors, and to all the monitors and volunteers for doing such a great job. The following is a list of our volunteers:

- **Pool Openers and volunteers who efficiently stored and returned all our furniture in preparation of the hurricane:** Joe Martin, Jan & Steve Notte, Linda Verduin Dale, Kevin Freebird Riker, Lex Siehler, Michael & Arleen Buckley, Brian & Cindy Smith, Deb & Ken Weirman, Sheilah Reynolds, Roy & Maria Frantzen, Debra Bonanno, Bob Thibodeau, Mary Ann Gitch, Peter Roth, Judy Koudelka, Sue & Dan Cwiakala, James Freeman, Anna Calderone and Elizabeth Borkowski.
- **Pool Monitors:** Joe & Joanne Martin, Sheilah Reynolds, Sandra Main, Peter Roth, Terri Fink, Irene Goodfield, Bob Thibodeau, Sandy Buckley, Michelle Grandell, Betty Halbert, Arlene Buckley, Terry Eisenhardt, Elaine Adams, Linda Anghilante, Debbie Gouveia, Ann Golden, Cathy Smith, Debby Perry, Sue & Dan Cwiakala, Mary Johnson-Schaeffer, Steve & Jan Notte, Mary Ann Gitch, Gerry & Terry Hartman, Lynn Drew, Maryann Schroder, Linda Guest, Anne Gillard, Deb & Ken Wierman, Margot & Jerry Pepin, Lou Carlin, Kelly Howard, Linda Verduin Dale, Thor & Susan Kongvold.
- **Pool Closers:** Anne Gillard, Marie Tims, Debbie & Santo Perry, Joanna & Mike Wilcox, Kathy Moore, Thor Kongvold and Jason & Deborah Janosek. In the off-season, Dave Rudnicki checks the operation of the pool and monitors the salt cell; a 12-month job.

By the time you read this, the Pool will have been closed (Sept. 30th) and all items stored (Oct. 1st). This was truly a great season.

CLUBHOUSE—A thank you to John Beam, our resident furniture and builder of fine pieces, for the beautiful new fireplace mantel. While decorating for any event, note that our new mantel holds no more than 15lbs.

SIGNS—You will notice sturdier, easily read signs which were much needed as our old ones were constantly vandalized. These signs had to be visible in order for the police to act on any persons trespassing. We all need to look out for one another, so if you see a suspicious person, please call the authorities.

Liz Maass

THANK YOU

A sincerest *Thank You* to my family, friends and the Property Committee.

Bless you for the many cards sent, flowers given, and your prayers. All of the above helped me get through this very painful ordeal with my leg.

With the love and care of my family and friends, I was not alone. That is a gift from God.

I look forward to seeing everyone in the coming weeks.

*Much love and hugs,
Liz Maass*

LEADER NEEDED FOR THE BIBLE STUDY GROUP

The Myrtle Trace community is going to miss our faithful Bible study leader, Linda Siehler. Linda has done a beautiful job of sharing scripture, teaching, and encouraging group participation.

All are welcome to share and explore the selected Bible passages. We want you to prayerfully consider a leadership role. You may be a prior clergy or a person who enjoys connecting with other people. Perhaps you used to be in the teaching field. Take a leap of faith. The group will warmly give you support and encouragement. The study is non-denominational.

Presently, we gather Monday mornings at the Clubhouse from 10:00am-11:30am.

If you are interested, please contact: Cathy McElroy: 843-347-5360 or e-mail: CATH-YLCSW519@gmail.com.

MYRTLE TRACE-MART

FREE - Neutral colored, patterned stepping stones. Approximately 40 varying sizes from 8"x17" to 17"x17". Various shapes. You remove and take home. Call Diane at 843-333-1063. (10)

SELL - Lazy Boy recliner, cream color, cloth. \$60.00. Contact Ann at 617-838-5930. (8)

BOARD BRIEFS—*continued from page 1*

• **ROADS – LOOKING BOTH WAYS**

A QUICK LOOK BACK—

Until about 15 years ago there was only one way in and out of Myrtle Trace and that was the front entrance at Burning Ridge Road. There was a permanent barrier at the other end of Myrtle Trace Drive blocking access to a rutted dirt path which is now Myrtle Ridge Road. Once Myrtle Ridge Road was paved, Horry County insisted that we remove the barrier to allow non-resident traffic to pass through our community. As with most developments, the County had been granted a right of way in return for maintaining the roads.

It quickly became apparent that our roads were not built to handle that kind of traffic and our residents' safety became a major concern. In 2008, we obtained a court order to rescind the County's right of way – thus making our roads private. We secured the deed to the property underneath the roads from International Paper. The court stipulated that the Association would maintain the roads and that we would provide access to Myrtle Ridge Road to our residents and emergency vehicles.

The Association's response was twofold: a reserve fund for road maintenance was established which is used for major road projects and is added to annually, and the entrance and exit gates at the end of Myrtle Trace Drive were installed.

A LOOK AHEAD—

A lot of research and expertise went into designing and implementing the back entrance. Maintaining our roads requires an equal amount of expertise and planning. Working with the Property Committee, recent Boards, and Hardee Maintenance, Tom Gray has designed a plan that has already resulted in the milling and paving of many of our streets, the widening of Pear Tree Circle, root removal, geological studies of the road beds and numerous other road repairs.

This year's budget preparation was influenced by the next step of the plan which is to mill and resurface Myrtle Trace Drive between Berry Tree Lane and Cedar Ridge Road in early 2024. While we can and have planned ahead for the budget requirements, we have to rely on our residents to provide the cooperation and patience needed to complete such a major project successfully. So buckle up for the necessary inconvenience in 2024 and for a smooth ride down Myrtle Trace Drive (AT 25 MPH)!

Nancy Seeds

TREASURER'S REPORT

The 2024 Myrtle Trace budget has been completed. The effort began with the committees where requests for funding were developed, reviewed and approved. Final requests were then sent to the Board of Directors. The Board held several meetings where the requests were compiled into a plan for the coming year. Line-item reviews were then completed and a few adjustments were made.

The 2024 plan projects spending at similar levels to the current year. It incorporates savings realized during 2023, as well as items that did not increase as rapidly as first projected such as our insurance policies and utilities. The plan projects a small surplus that will increase our savings and be used to fund upcoming projects in 2024.

The board approved the budget at the September 20, 2023 meeting. The budget document will be included in the packets distributed to all homeowners for the 2024 annual meeting.

The 2024 budget does not require any increase to the monthly dues which will remain at \$85 per month.

Bob Ebling

MYRTLE TRACE COMMUNITY CHORUS RETIRES

After thirteen seasons of practicing weekly and periodically entertaining in Myrtle Trace and the surrounding area, the Myrtle Trace Community Chorus has retired. Each member of the chorus, along with the directors, Bill and Alta Fox, are most appreciative of the support given to us throughout all of these years by the residents of this community. The group loved hearing your many positive comments and compliments and it has been so exciting to see the Clubhouse filled to capacity for each concert. The Chorus has been a vital part of this community from its beginning and each member has devoted many hours to this project. It has been our pleasure to entertain you. Thank you so much for all the love and support shown to us.

Bill and Alta Fox

MYRTLE TRACE COMMUNITY CHORUS THANKS BILL AND ALTA FOX

Thirteen years ago, the Myrtle Trace Community Chorus began. Bill Fox was the Founder, Director and Leader of our Chorus. He and Alta spent hours on the selection of music for us to sing, enjoy and perform for Myrtle Trace, along with community service of singing for Assisted Living residents. Alta Fox, by his side, played piano, gave input as to the selection of songs, played beautifully and gave suggestions as we sang. As with all of us who live in our Community, we volunteer and retire when the time arrives. That time is now for Bill and Alta. We, as a chorus, are eternally grateful to have been led by the best and taught how to project our voices, blend, harmonize and try different and unique song.

Our hearts are with you both always.

NOMINATING COMMITTEE

The Nominating Committee has commenced meeting to identify candidates for a position on the Myrtle Trace Board of Directors. There will be one (1) vacancy to be filled through election at the Annual Meeting on Saturday, February 3, 2024. If you are interested in serving or would like more information, please contact any member of the Nominating Committee. Committee members are: Donna Ebling, Tom Gray Jr., Lynda Moore, Douglas O'Neil, Deborah Perry, Jeanie Rhodes, Nancy Southard, Lee Williams, and Chairperson Susan Granger.

40th Anniversary

1983 to 2023

A Message from the 40th Anniversary Committee

I hope everyone is looking forward to the upcoming events for the 40th Anniversary celebration as much as we are!

We started things off with a bang with a sold out crowd for the Oktoberfest and expect to see just as much enthusiasm in the coming weeks!

In some cases, parking at the Clubhouse will be tight. To avoid that, please try to carpool with friends and neighbors as much as possible. This will be especially true for the car show and art shows that are being held on the same days.

Speaking of the art show, we have been pleasantly surprised by the number of artists we have living in our community!

For the security and the protection of their work, the Clubhouse will be locked except during the hours of the show, 1 to 5pm on both October 21st and 22nd.

If it is vital that someone needs to enter the Clubhouse any other time, a phone number will be posted outside the door.

Thank you for your cooperation!

*40th Anniversary Committee
Jean Hohenberger, Chairperson*

Come listen, dance and party to the sounds of the same “Forever Doo-Wop” group. So get out your '60s groove, put on your Capezios and Brylcreem and enjoy. Come out and dance the night away or sit, enjoy and tap your feet!

WHEN: Saturday, October 28th 6:00 to 9:00 pm at the Myrtle Trace Clubhouse.

Snacks, soda, beer and water will be provided. BYOB if you so desire.

There will be a 50/50 drawing so bring some cash. Also, prizes will be awarded for best costumes – first, second and third places. Come in costume or not, whichever you prefer.

Admission is \$15 per person to be paid with your reservation. Myrtle Trace residents must have their reservations made no later than Saturday, October 22nd. Outside guest reservations must be made between October 22nd and October 25th. We cannot do any refunds after October 22nd except for a serious emergency.

Fill out your RSVP reservation on the right.

Place into an envelope with the total admission enclosed. Checks should be made payable to Myrtle Trace Activities.

Drop off at the Rebocho residence at 136 Myrtle Trace Drive. Place in the bucket by the front door. Do not place in the mailbox or newspaper tube. Thank you.

We think we will sell out quickly, so please reserve as soon as you can. Reservations will close on October 22nd.
