

MYRTLE TRACE

MYRTLE TRACE HOMEOWNERS ASSOCIATION

ACTIVITY COMMITTEE GUIDELINES

ISSUED AND APPROVED

BY THE MYRTLE TRACE HOMEOWNERS

BOARD OF DIRECTORS

DECEMBER 2024

MTHOA ACTIVITIES COMMITTEE
STANDARD OPERATING PROCEDURES

1. The Activities Committee shall be composed of an adequate number of volunteers (20 or more) to initiate, plan, prepare and execute activities for the enjoyment and participation of ALL Myrtle Trace residents.
2. The volunteers will be recruited from the community via “News and Views” or word of mouth and be willing to serve for at least two years. It would be well for the Committee to have persons with prior experience among its members. The term for the Committee is March 1 to February 28 each year, but members may serve for longer periods, if they wish.
3. The Committee elects its own officers (Chairperson, Co-Chair, Secretary and Treasurer) at its first meeting in February wither by selecting a nominating committee or asking for volunteers to serve. The Committee shall be self-supporting. The Committee should meet monthly on the Second Monday of each month at 7:00 p.m. There is no meeting in July. The Chairperson will prepare and submit a report to the MTHOA Board of Directors at their monthly meeting as to the plans and financial status of the Committee.
4. The Committee can conduct activities that produce an income and shall be self-supporting and self-funded. Each new Committee, in March, will be provided adequate funds (\$200-\$400) from the succeeding Committee in order for them to initiate activities for the next year.
5. The Activities Committee has authority from the MTHOA Board of Directors that scheduling Committee Activities takes priority over all other standing activities or functions held in the Clubhouse. The MTAC when scheduling events will consult with the Communications Committee’s Calendar person and may take priority over other activities and functions. Set-ups should not interfere with Board meetings and/or Standing Committee meetings.
6. The Committee should try to schedule at least two activities per month (September through May). Committee members will “Host” each activity and the Committee is responsible for all set-ups and clean-up of functions for each activity in accordance with the guidelines for “Maintenance of the Clubhouse”.
7. Every event must have a chairperson, who is responsible for planning, organizing, preparing flyer and approving expenses for the event.

8. Any and all receipts for expenses are to be given to the Chairperson of the event, who in turn will give to the Treasurer. **DO NOT GIVE RECEIPTS DIRECTLY TO THE TREASURER.**
9. The regularly scheduled monthly events such as BINGO, POTLUCK, LADIES COFFEE or any other event whereby a 50/50 is done must submit the money to the Treasurer within 5 days of the event, so the Treasurer will be able to submit a completed summary of the previous month's activities and income.
10. The Chairperson on a non-regularly scheduled event must prepare a synopsis of the event such as how many paid, how many attended, what and how much food was served with receipts attached, any unusual circumstances, something that should have been done differently, so the next person who might chair a similar event will have guidelines to refer to in order to possibly improve on the previous event.
11. Any resident of Myrtle Trace is free to attend and/or join any Activities Committee meetings. Any resident who would like to address the Committee should contact the Chairperson at least 48 hours before the meeting in order to be put on the agenda for a specific amount of time. The Committee will not consider any anonymous suggestions.
12. The signature of the Activities Committee Treasurer or Chairperson will be all that is required for the execution of checks issued on the Myrtle Trace Activities Committee account.
